## **Mona says:**

能和不同学校和不同国家的小伙伴一起完成这个summer school，是一段新奇的经历  
It is a very nice and new experience to work with friends come from different school and different country

## **Summer says:**

享受过程，分享经历，感受不同的文化，和小伙伴开心的一起工作，留下一段珍贵的回忆  
enjoy process ,share experience,feeling different culture ,we work together happily .give me a precious memory

## **Andrea says:**

The Workshop was nice, but the toppic was not very clear – that made it a little dificult..  
I had a very good time, thanks to my teammates <3
